

***96 Years in Greenwich
and Moving Forward***

ywca greenwich

**2014-2015
annual report**

Our Mission

YWCA Greenwich is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom and dignity for all.

Dear Friends of YWCA Greenwich,

It was another good year for your YWCA, continuing the excellence we have exhibited for 96 years. We continue to move forward...building momentum...toward our 100th Anniversary celebration. Since 1919, we have been a treasured Greenwich community asset.

There are six reasons for our continued success. We have a devoted, hard-working Board of Directors with a clear focus on the future... an energetic Leadership Council...an experienced staff that knows how to get the job done...a committed base of generous supporters... members who report that our offerings either meet or exceed their expectations...and management leadership expertise that delivers 93% of every dollar directly to programs and services for women, children and families.

In addition, we continue to modernize our beautiful facility and the programs within and without. This past year, we completely renovated our Fitness Center and Spin Studio, adding all new, cutting-edge equipment. Then we purchased a state-of-the-art Pitching Machine and Batting Cage System for baseball and softball training...it's the only one in Greenwich. Our basketball academy, with the best instructors in Town, also was added to our lineup. And, we still maintain over 125 programs, services and events, with scholarships available for those in need.

We're all about helping...helping kids in our top-rated Preschool prepare for Kindergarten... helping to rebuild the shattered lives of domestic violence victims...helping children to better health and fitness in our gymnastics classes and Learn-to-Swim School...helping adults keep fit with personal training sessions and forty group exercise classes each week...and helping a graduating Dolphins Swim Team member reach the 2016 Olympic Swim Team Trials.

Please enjoy this Annual Report. Please visit us if you can. Please call with any suggestions you may have. And please continue to support us.

Thanks so much for helping.

Childhood Education

YWCA Greenwich Preschool, After-School and Summer Camps are licensed by the Connecticut Department of Public Health and comply with all regulation standards for health and safety.

YWCA Greenwich provided educational programs that afforded girls and boys ages 15 months to 14 years learning platforms on which to grow their knowledge...as well as enhance their social, emotional and physical vitality. In addition, 2014-15 parent surveys support our continuing reputation for creative curriculums based on Connecticut State Benchmarks, staff excellence, scheduling flexibility, and facility safety and cleanliness.

Consistent with our core mission of *eliminating racism*, YWCA Greenwich encourages diversity in our student population. Ending racism begins with the young...and the younger, the better. In the 2014-15 academic year, YWCA Greenwich Preschool was truly an international body. We taught children of many racial, ethnic and economic backgrounds from 14 countries, including Brazil, Bulgaria, Chile, China, Dominican Republic, Germany, Ireland, Japan, Mexico, Norway, Portugal, Ukraine, United States, and Venezuela.

Children 15 months to 2 years enjoyed *1-2-3 Grow Preschool*. The YWCA is one of the very few area preschools to provide early learning for one year olds. Three and four year olds enjoyed the *Tinker Tots* program that features special instructional classes in gymnastics, music, Spanish and swimming. *Extended Day* and *Full Day* programs, popular with working parents, were also available.

More students than ever attended *Kaleidoscope After-School* for girls and boys 5 to 11 from 2:30 to 6:00 pm daily during the public school academic year. It combines homework and study with 19 other activities, including STEM classes in Chemistry and Computer Coding, and there is free pick up from many elementary schools. Both *Kaleidoscope Vacation Camp* and *Preschool Vacation Camp* served children when schools were closed for holidays.

Summers at YWCA Greenwich found our three camps heavily attended, which meant that our four outdoor play areas – *Greenwich's only Water Park*, two *Kompan Structures Playgrounds* and the *Sand Play Area* – were well used. For 45 years, girls and boys 5 to 11 have loved two-session *Camp Ta-Yi-To* with the most diverse activities schedule in the region. Two-session *Preschool Summer Camp* was a sell-out. And our two-week *Girls Circle Camp* helped pre-teens build confidence and self-esteem.

Health & Fitness

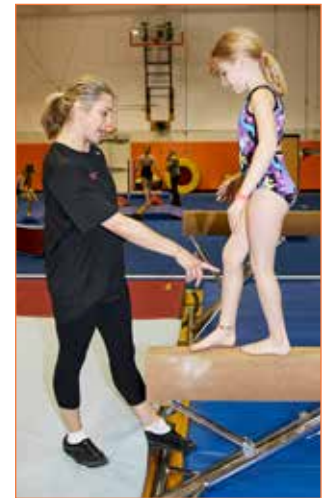

YWCA Greenwich offered a large number of activities that improved the health and fitness of girls and boys and women and men ages two through seniors.

A total of 42 *Group Exercise Classes* were held each week. In addition, our *Fitness Center* featured a *Spin Studio* with *YW Power Spin Classes*, an experienced staff of certified *Personal Trainers* and a *Massage Therapist*... plus new, top-of-the-line weight circuits, spin bicycles, tread mills, ellipticals, adaptive motion trainers and more.

Members enjoyed Precor Treadmills, AMTs and Ellipticals with 140-channel, high-definition picture quality and internet access monitors...plus Espresso Bikes with interactive road racing programs... plus *YW Power Spin Classes* with new Star Trac Blade Ion 100 Bicycles with computer monitors...plus new Precor Discovery strength equipment. Our five new locker rooms include a Women's Locker Room with sauna and a Men's Locker Room with steam. The staff of certified Personal Trainers conducted more sessions than ever before.

Children ages 3 to 18 enjoyed modern ballet classes in the modern *Royce/Porter Dance and Yoga Studio*. Our large gymnasium was home to *Soccer* for girls and boys 2 to 5 years old...and *Gymnastic* classes for kids 3 to 15, beginner to advanced, taught by the famed Greenwich High School Varsity Coach, Sue Knight. *Badminton* continued to gain in popularity. *NOW Tennis*, for girls and boys 3 to 13 using age-appropriate sized racquets and balls, grew in popularity.

Softball and Baseball Training clinics, featuring Greenwich's only Pitching Machine and Batting Cage System and Head Instructor, Mike Parisi (formerly of the St. Louis Cardinals), experienced increased useage by individuals and local teams.

Aquatics

YWCA Greenwich offered girls and boys and adults, six months old to seniors, a complete and integrated Aquatics program in a 6-lane, warm water pool. There were group and private swim lessons...specialty classes including *Aqua Aerobics*, *Aqua Arthritis*, *Aqua Core*, *Water Polo*, *Scuba*, and *Kayaking*...plus *Lifeguard Training*, *CPR/AED* and *Water Safety Instructor* courses. Popular times were available throughout the week for both family and lap swims. All instructors are American Red Cross certified.

The successful YWCA Greenwich classes improved technique, built endurance and were the training ground for the 225+ member – girls and boys ages 5 to 18 years – *YWCA Dolphins Swim Team* that continued its 46-year winning tradition. The Dolphins Team is ranked in the top 4% nationally by U.S. Swimming. In a season of successes, three Dolphins stood out. Meghan Lynch, 12, besides many other national age group and state records, is now America's top-ranked 12-year-old in the 200-meter individual medley. Thomas Dillinger, 17, qualified for the 2016 Olympic trials in the 200-meter individual medley. And Kate Hazlett, 14, set a Connecticut age group record in the 50-free-style.

Three *Training for Success Seminars* were held for Dolphins Team members and their parents, featuring Olympic swimming medalists, health professionals and educators.

There was a *Dolphins Awards Banquet* in May attended by more than 500. Every Dolphin Team member received an award.

The YWCA Greenwich *Masters Swim Team* had another strong season.

One in three young girls in the U.S. is a victim of physical, verbal or emotional abuse.

Domestic Abuse Services

YWCA Greenwich, *the only licensed provider of domestic violence services in the community*, delivered a wide range of multi-lingual, free services to thousands of victims, including children. Your YWCA provides two 24/7 hotlines; emergency shelter; life-saving safety planning; crisis intervention; child and adult counseling; criminal and civil court services at Stamford Superior Court; and violence prevention education at public elementary, middle and high schools.

One in every four women will experience domestic violence in her lifetime. Horrific stories of anger, fear, hopelessness ...physical abuse...even death...are reported daily. Domestic violence shatters hearts, souls and lives. Yet many have been able to escape abusive relationships and build new lives with the help of YWCAs, the largest providers of domestic violence services in the country. A *Candlelight Vigil* in October – Domestic Violence Awareness Month – memorialized those victims whose lives were taken in Connecticut, and participants lit candles of hope for the future. Included in the month's activities was a showing of *Tough Guise 2*, a documentary by anti-violence educator, Jackson Katz, challenging the myth that being a real man means engaging in rough behavior.

This year, 282 Greenwich men, the largest number ever, joined the *Father's Day Campaign Against Domestic Violence* by signing their names to a full-page advertisement in the *Greenwich Time*. Fourteen community leaders – including clergy and elected officials – committed as Co-Chairs of this important event.

YNet, a YWCA program with Greenwich High School, works to end teen dating violence and foster healthy relationships. Since its inception, over 500 students have been trained to educate peers and the greater community. The annual *Ultimate Frisbee Tournament* was held June 14, 2015 to raise funds for this outreach program.

The *Old Bags Luncheon*, the only event in Greenwich that exclusively benefits YWCA Domestic Abuse Services, took place May 7, 2015 at the Belle Haven Club. A sellout every year, it features live and silent auctions of new, vintage and gently used hand bags donated by designers, retailers and individuals.

YNet and the YWCA sponsored a class by renowned National Geographic photographer Jodi Cobb at Greenwich High School. Ms. Cobb presented her photo story, *21st Century Slavery*.

Women's Leadership Programs

YWCA Greenwich strongly supports *Empowering Women* as a core mission of the YWCA. We highlight and honor the successes of women in the community as industry, government, and non-profit business leaders...as well as volunteers and mentors...at a series of special events and seminars throughout the year.

A number of topical seminars and screenings were offered in 2014. Gary Haugen, author of *The Locust Effect: End Slavery Now*, discussed the large number of women and men still enslaved in today's world. *Dinner: Solved* featured easy recipes of great meals for working parents by Dina Cheny...while Sonal Rinello held a job search workshop during *Get Inspired, Get Hired*...and Stacy Stowers made our mouths water during her *Raw Pleasure Cooking Demo*. A documentary film, *Tough Guise 2*, by Jackson Katz, portrayed the violence imbedded in the male American culture. Leslie Schless conducted a seminar entitled, *Planning for Your Family's Future*, and a large crowd attended the showing of *The Mask You Live In*, an important documentary that explored young American masculinity and the dangerous societal expectations associated with it. Partners in our seminar and film series included the Junior League of Greenwich, Allstate Foundation, JCC, and Greenwich Hospital.

YWCA Women's Leadership Special Events are among the most popular in the community. The 21st annual *Spirit of Greenwich Awards*, held in September 2014 at the beautiful home of Giovanna Miller, honored ten exceptional women volunteers whose devotion and accomplishments have enriched the lives of many in our community. The 40th annual *BRAVA Awards*, held in January 2015 recognized ten outstanding professional women... proven executives, role models and established leaders in their respective fields.

Racial Justice

Bottom: Reverend Dr. Martin Luther King, Jr.

YWCA Greenwich strongly supports *Eliminating Racism* as a core mission of the YWCA. From 1915, when the YWCA held its first Interracial Conference in Kentucky... through its battle for civil rights legislation in 1965...to its continuing, active support of the Hate Crimes Act, YWCAs have been unwavering in their historic battle for racial justice. At YWCA Greenwich, we work constantly to join together people of all ages, races, cultures and backgrounds in a common goal of justice, freedom and dignity.

Annually, YWCA Greenwich offers racial justice initiatives that promote understanding and direct attention to the patterns of hatred and bigotry that still may remain in the community and beyond.

Our *Dr. Martin Luther King, Jr. Celebration* in January 2015...a free, community-wide event...featured the presentation of *YWCA Racial Justice Scholarships* to senior *Alexandra Ng of Greenwich High School* and senior *Irenee "Sam" May of the Brunswick School*, who had demonstrated special efforts to encourage people to respect differences, promote equality and eliminate all forms of bigotry and bias. *Associate Professor Christopher Lebron, PhD and member of the Yale University Department of African American Studies*, gave the keynote address.

Joined by 71 other community organizations – the highest number ever – including every Greenwich public school, the 6th annual YWCA Greenwich *Stand Against Racism Day* took place on April 24, 2015. Our event at Greenwich Town Hall included talks by Congressman Jim Himes, Greenwich High School student Yangly Guiza, School Superintendent William McKersie and others. Music was provided by the First Baptist Church Choir. In her keynote address, YWCA President and CEO Adrienne Singer offered a meaningful quotation, "If one desires change...one must *be* that change before that change can take place."

The YWCA continued to host a monthly *Diversity Book Club* meeting.

2015 Persimmon Ball

A lavish black tie gala. Our largest fund raiser.

Our Persimmon Ball was critical to the success of YWCA Greenwich. Proceeds provided free services to domestic violence victims... benefited our scholarship programs for children...supported women's leadership seminars and racial justice initiatives that were offered free to the community. All YWCA special events help us continue as a prized resource for Greenwich families.
