

Girls Circle Summer Program at YWCA Greenwich

What is Girls Circle?

Girls Circle Summer is for girls aged 10-13 years old who are looking to make new friends, have fun and develop new skills. YWCA staff coordinates and leads the program with trained Greenwich High School students and graduates who cofacilitate and act as peer mentors.

When is Girls Circle Summer?

Girls Circle Summer will run for a 2-week session: Monday, July 8, through Friday, July 19 from 9:00am-3:00pm.

What does Girls Circle Summer Do?

Each day of Girls Circle Summer has a theme, for example Health & Fitness, Creativity and Leadership. Each morning will be held at the YWCA spending time exploring the day's theme through art projects, discussions and games. Each afternoon is spent at a workshop centered around the day's theme.

Why Girls Circle?

Girls Circle Summer is based upon the Girls Circle National Curriculum which has been used to help girls develop self-esteem, confidence, friendship, leadership and self-efficacy. Adding the element of peer mentors encourages skill development while providing genuine positive and relatable role models.

Why else?

Girls Circle is FUN! Our staff is enthusiastic and energetic, and the workshops are unique and innovative, tapping into girls' inner creativity.

For more information on registration, please contact Megan Marciano by phone: (203)869-6501 ext. 172 or email: m.marciano@ywcagreenwich.org
